

Health & Safety Policy

In the provision of services, the Omah Group is committed to providing safe and healthy workplaces for team members, sub-contractors, and visitors.

We will:

- Provide leadership and direction for continual improvement of health and safety outcomes and performance
- Adopt an integrated and systematic approach for health and safety to meet or exceed relevant legislation, standards, and codes of practice
- Establish and ensure safe work methods are always practiced
- Set objectives and targets to measure, manage, and improve health and safety performance
- Ensure team members and other persons understand and accept their responsibility to promote a safe and healthy place of work
- Empower and encourage participatory conversations and tools of communication for the effective management of health and safety through all levels of our companies
- Manage rehabilitation through effective return to work programmes

Bevan Jones, Director
